Uploading work to Google Classroom using an iPad or iPhone

Open up the assignment... at the bottom you will see your work.

Take pictures of your work, when you have done all your work for the day, choose *Add attachment*

Select all of your pictures, write a comment to your teacher and choose *hand in*

<

Thursday 4th February

💬 Add class comment

Here is your learning for today. I have included
* Spelling
* Writing
* Numeracy
* Mental Maths
* Topic and Art
You can complete the tasks in any order and on paper or on your device using Word or Google slides. If you have any questions or are finding anything tricky then please ask for help 😌.
