3. Improvements to playground

Mrs Callender explained that the Parent Council were looking to improve the playground by having playground markings painted. The Pupil Council looked at examples on the website that the Parent Council had recommended and made the following suggestions for both the Infant and Junior/senior playground:

P1-3

3-way hopscotch
Frog hopscotch
A-Z snake
Target lines

P4-7

Snakes and ladders
I Am Hopscotch
Square maze
Dartboard target
Progressive target

The Pupil Council also suggested climbing equipment but they were concerned about how access to this might be limited due to the grass being wet/muddy. They also suggested new play boxes for each class. Mrs Callender will report back on this information to the Parent Council.

There were no suggestions in the Suggestion Box. Members of the Pupil Council will remind the rest of the school where this is located at the next assembly.

Cameron and Jess will report back on today's meeting at the whole school assembly,

6. Any other business
