## PUPIL COUNCIL MEETING

---

### 1. Welcome

The following children were present at today's meeting:

Kayla B, Max C, Jess, Derryn, Devyn, Cameron, Connie, Max K, Lucy C, Ryan W, Tommy, Ellie, Molly and Finlay B.

### 2. Review of Silly Science workshops

All children reported that they thoroughly enjoyed the Silly Science workshops and they would be keen to have these again next session.

### 3. Playground games

Children like the new playground markings, but report that some children are using the beanbags, skipping ropes and bats inappropriately. This will be raised at assembly. Children also asked if the P4-7 playground could be joined back together again. Mrs Callender will discuss this with Mrs Hill as it will affect support staff who are out in the playground.

### 4. Sports Day

Children are happy to continue with potted sports for P1-3 and P4-7, and a flat race for each stage. Children suggested possibly having a golf station as part of the potted sports.

### 5. School's vision, values and motto

Children put forward other suggestions for a review of the school values. These will now be added to the Google Form that will be sent out to all staff, parents and P4-7 children.

### 6. Reporting back at assembly

Kayla and Cameron will report back on today's meeting to the rest of the school at assembly.

### 7. Any other business

There was no other business to report.
