

## Industrial Action

Class: Primary 4

Class Teacher(s): Mrs Stevenson

Whilst some staff are engaging in industrial action, the following activities have been planned for your child to complete at home. Please try to complete as much as you can, either indoors or outdoors.

<b>Literacy</b>	<b>Reading</b> During our time reading The BFG we have come across some words which are made up:  <b>JUMBLY, DISGUSTEROUS, SKUMPING, GOBBLEFUNKING.</b>  Make up 5 words of your own, then write a sentence with each word.	<b>Writing</b> Write an imaginative story about the adventures of the BFG and Sophie.  Remember to include some made up words and VCOP in your story.	<b>Listening and Talking</b> We are going to try notetaking.  Watch Newsround on BBC iplayer and try to write down as many important points as possible. Remember it is not the whole story just short parts which help you to remember what happened. Have a go at telling someone at home what happened using your notes.
<b>Numeracy</b>	<b>Math</b> Practise your mental math by logging on and playing Sumdog.  You could also try any of the Top Marks math games.	<b>Math</b> Go on a shape hunt around your house or garden. How many 2D and 3D shapes can you find?	<b>Math</b> Complete the multiplication mosaic challenge to reveal the picture!  Challenge yourself by writing out some of your times tables :)
<b>Health and Wellbeing</b>	<b>Spiderman workout</b>  Try this Spiderman workout or pick your own from the Body Coach.  <a href="#">8 Minute Kids Workout With Spiderman   The Body Coach TV - YouTube</a>	<b>Ball Skills</b> Get a ball or some rolled up socks. Practise different skills. You could try: Throwing, Catching, Dribbling, Making a number 8 through your legs. This activity is best done outside if you can!	<b>Body Coach workout</b>  Try this workout from the Body Coach.  <a href="#">10 Minute FULL BODY Workout   The Body Coach TV - YouTube</a>
