**SOUTH
LANARKSHIRE
COUNCIL**

Our Vision = We aim to provide an inclusive and nurturing environment where everyone can learn and grow.

Our Values = Respect, Inclusion, Nurture

Motto = 'I will go anywhere, provided it be forward'. (Dr David Livingstone)

Dear Parents/Carers

It is hard to believe that we are almost at the end of our first term already! Time certainly flies when you're having fun!

Thank you for your support in ensuring that children come to school wearing their school uniform. This promotes a sense of identity and pride in our school. Please remember that our school uniform consists of the following:

- Black trousers/skirt
- Light blue shirt/blouse
- Royal blue polo shirt
- Royal blue or black sweatshirt or cardigan
- DLMPs school tie

Jeans, patterned hoodies and tartan pinafores are not part of our school uniform and any proposed changes to our school uniform has to go through a consultation process involving all stakeholders. Given that children wear many similar, if not identical items, it would be helpful if you could ensure that your child's name is written on their clothing and personal items (including packed lunch boxes and water bottles) so that any lost property can be easily returned. We currently have a lot of unclaimed sweatshirts, cardigans and jackets sitting outside Nancy's office. Please remember that our recycling rail containing many new and almost new items of school uniform is always available outside the school office, so please help yourself to anything that your child needs. There is no charge for any of these items.

Please could we remind all parents/carers to log on regularly to Parentsportal. This is our sole means of communication and is the way in which we send letters home, as well as permission forms to attend school events, including class trips. It is also how you should book an appointment for our upcoming Parent/Carer Consultations which will take place on **Wednesday, 8th October**. In addition, Parentsportal allows you to access and update details on your child at any time, including emergency contact information, so please ensure that this is kept up-to-date. Please contact staff in the school office if you require assistance with logging on.

I hope that you find the information in this newsletter useful. Newsletters will normally be sent home at the beginning of each month, along with a list of dates for your diary. Please remember to contact the school if there is anything that you need clarified or want to ask.

Linda Callender
Head Teacher

Care and Welfare

At the start of session, we issued you with a number of different electronic permission forms, along with your child's Annual Data Check which provides a copy of the details that we hold on file for your child. We are still waiting on a number of these forms being completed. If you have not already done so, please complete this via Parentsportal as a matter of urgency. Thank you.

Parent/Carer Consultations

As you know, our first set of Parent/Carer Consultations will take place in the school on **Wednesday, 8th October**. During these consultations, you will also have the opportunity to look at your child's work. This will be set out on a table in our dining room, so please look for your child's class.

A raffle will be available on the night with the opportunity to win fantastic prizes. All tickets will cost £1 each. Please note that we are only able to accept cash on this occasion. There will also be the opportunity for you to pick up a pre-loved Halloween costume for your child(ren). Any donations for this raffle will be gratefully received.

Staff from Calderside Academy will be in attendance too, so please introduce yourselves and ask them any questions that you may have.

House Captains

We recently held elections for our House and Vice Captains, with many of our P7 children putting themselves forward for these important positions. All prospective candidates delivered a speech to their peers, with fellow House members getting to vote for who they thought was the best candidate. Results for these elections were as follows:

Balmoral = Rebekah (Captain); Kayla B (Vice Captain)
Bothwell = Theia (Captain); April (Vice Captain)
Edinburgh = Cara (Captain); DJ (Vice Captain)
Stirling = Cooper (Captain); Calvin (Vice Captain)

A huge well done to everyone who put themselves forward for these important roles. We are so proud of you all!

Instagram

The school has moved away from X (formerly known as Twitter) as a means of communication. Our new social media platform is Instagram @DLMPs2025. Please note that this is a closed and private group with only current parents/carers and staff permitted to follow. We will use this platform to share achievements and pictures of what is going on in the school and in your child's class. No pictures of children will be posted until we have permissions signed for this current session via Parentsportal. We have already issued a letter inviting you to follow us. If you require another copy of this, please contact Miss Lattimer, one of our DHTs, (gw07lattimerjennifer@glow.sch.uk). Thank you.

Administering Medicine

South Lanarkshire Council has guidelines on the administration of medication. Should your child require to take prescribed medication in school, it is essential that you complete an 'Administration of Medicine' form. A copy of this form is available on request from the school office. Pupils may carry inhalers with them, if necessary. However, should you wish your child to carry an inhaler whilst he/she in school, an 'Administration of Medicine' form must still be completed.

Only medication prescribed by a doctor and with written parental/carers consent will be able to be administered. It is the responsibility of parents/carers to ensure that medication is within its 'use by' date. Please also remember to keep us up-to-date regarding any health-related issues for your child as we are aware that these can change at any time.

Health Week

whole school and nursery will be engaging in a special Health Week starting on **Monday, 6th October**. During this week, the children can come dressed in sporty clothes every day as they will be engaging in a wide range of activities to support their mental, physical and emotional health. Thank you to our parents/carers who have volunteered to come in and support with this exciting week. We really appreciate your support.

PE Times

As PE forms part of our national curriculum, it is expected that all pupils will participate in this activity. The days when your child's class has PE this session was issued in a letter to all parents/carers last week. If, for any reason, your child is unable to take part in PE, please notify his/her class teacher in writing.

All children are required to come dressed in suitable clothing in order to take part in PE. This means that they should wear leggings/joggers, a school/plain t-shirt and appropriate gym shoes. In line with South Lanarkshire Council policy, no football colours, including club shorts/tracksuits, should be worn at any time in school. Please also remember that crop tops and very short shorts are unsuitable for PE and should not be worn at any time.

Children are advised not wear jewellery to school on PE days. If they do, they will need to remove it before taking part in any physical activity. Parents/carers are also asked to provide small plasters to cover their child's ears if he/she is unable to take out their own earrings.

Pupil Equity Funding Consultation

PEF funding has been allocated to schools by the Scottish Government to close the poverty-related attainment gap. Thank you to everyone who responded to PEF consultation. 93.3% of parents/carers who responded agreed with our planned spend. One parent/carer was concerned that what we are planning to spend on literacy resources appears low. This is because literacy is an area that we have targeted with our PEF funding for a number of years and we are now looking to close the poverty-related attainment gap in other curricular areas too.

Participatory Budget Consultation

Following a consultation with children, staff at all levels and parents/carers, it was decided that 12% of our Pupil Equity Funding (PEF) for this session (£7516.80) will be used to support school trips so that they are cheaper for everyone, as well as to buy in coaches to run extra-curricular clubs and providing the correct kit to allow all children to join in. Thank you to everyone who shared their views.

Wider Achievements

Our Friday assemblies are an important part of our school week. As part of these, we are keen to celebrate children's achievements out of school. Should your child achieve something in an activity or club out of school, please encourage them to let their class teacher know. Those who have been awarded a medal, certificate or trophy are encouraged to bring these in to school to show their peers. We are also keen to formally recognise anything that a child has done to support a charity.

Breakfast Club

Our Breakfast Club is proving popular with many families. There is no charge for this and children are offered the choice of Weetabix/toast/fresh fruit and a cup of water/milk. Children coming to Breakfast Club should enter the school via the main door **between 8.15am and 8.35am**. Unfortunately, we will be unable to accept any children outwith these times.

Children will be supervised by 2 support assistants and they are expected to show responsible and safe behaviour at all times, following the same rules that apply in our dining hall at lunchtime. Children will then be dismissed into the playground at 8.45am, at the same time as the school gates open for all our other pupils.

Water in Class

Children are encouraged to sip **plain water** in class as research has shown that this increases their concentration when learning. This should be in a plastic sports bottle to avoid spillage. Please note that juice and flavoured/sparkling water are not permitted in the classrooms as they leave a terribly sticky mess if they are spilled and may spoil someone's work. Water is also served at lunchtime and children may also bring in a second bottle of water on PE days if they wish.

Free School Meals/Clothing Grants

If you are in receipt of Housing Benefit and/or Council Tax Reduction from South Lanarkshire Council, the local authority will now use the information that they hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families. Although P1-5 children do not need to pay for a school lunch, they still need to pay 30p every day if they wish a carton of milk, unless they qualify for a free school meal. All milk should now be paid for via ParentPay. Please contact staff in the school office if you have any difficulties accessing this at home.

Pupil Absence

Please remember that it is the parent/carer's responsibility to notify the school or nursery if their child is going to be absent before 9.10am. If we do not receive either a letter, email or a phone call from a parent/carer, we will try to phone home and, if unsuccessful, we will then phone your child's emergency contacts, then possibly the Police. It is, therefore, vitally important that you notify us of any changes to your contact details as soon as possible.

Homework

Following a consultation completed with all stakeholders in 2023, homework consists of a termly grid for all classes (apart from P1 and P2), with children being able to choose which activities they wish to do. All of these activities are designed to be active and to allow you to consolidate learning at home. Staff have also listed a number of different websites that you can use to support your children's learning at home, along with Sumdog for P4-7 which the children love! If you require any resources to support your child to complete their homework (e.g. pencils, rubber, sharpener, paper, etc), please contact the school and we will issue these to you.

Mobile Phones

We strongly discourage children from bringing their mobile phones to school as we cannot be held responsible if they are damaged or stolen. If your child does bring his/her mobile phone to school, it must be switched off at all times whilst in the building and in the playground. Any messages that you need to get to your child during the school day should be delivered via staff in our school office.

Holidays During Term-Time

In line with South Lanarkshire Council policy, the school implements a Maximising Attendance policy and holiday absences will normally be recorded as unauthorised. I would, therefore, request that, as far as possible, holidays are taken outwith term time to allow your child to benefit fully from the learning experiences that are planned in school. Please note that class teachers are unable to provide additional work for your child if he/she is on holiday.

Pupil Sickness

Please remember that if your child has suffered from sickness or diarrhoea, he/she should stay at home for at least 48 hours (2 days) after their symptoms stop to prevent the infection being passed on to anyone else. We have a number of medically vulnerable children and staff in our establishment, so your support with this is greatly appreciated.

Textile Recycling Bin

Our Parent Council have a textile recycling bin located in the Coatshill Avenue car park across the road from the school. This bin will take donations of wearable clothes, paired shoes and bags. It is estimated that a full bin can raise up to £400 for school funds, so any donations that you have will be gratefully received.

Contacting Class Teachers

We understand that there may be occasions when you wish to contact your child's class teacher. If you wish to speak to a member of school staff, please contact the office by phone (01698 823680) or by email (gw14dlmpsoffice@glow.sch.uk). Thank you.

ParentPay

At DLMPS, we use a resource called ParentPay to allow families to pay for school lunches and milk, as well as to collect in any money that is requested for school activities since we are no longer expected to handle any cash.

If you have not yet registered with ParentPay, please could you contact Mrs Hood in our school office to find out how to do this as soon as possible. Thank you.

Scottish Child Payment

Scottish Child Payment is a new benefit which started on Monday, 15th February 2021. This payment is for families on certain benefits or tax credits. Eligible families will get £40 every 4 weeks for each child under the age of 6 years. To find out more about this payment and other benefits or grants to which you may be entitled, including the Pregnancy and Baby Payment and Early Learning Payment, please access www.mygov.scot/benefits or call 0800 182 2222.

Family Fund

'Family Fund' is an organisation which supports families on low incomes who are raising a disabled or seriously ill child up to the age of 17 years old. These grants are available annually and can be used for items such as computers and tablets, sensory toys, family breaks, outdoor play equipment, furniture and kitchen appliances. If you think this may be of interest to you, please visit the following website for more information:

www.familyfund.org.uk

Playground

Please could we remind all families that no bikes or scooters should be used in our school playground. Children know to dismount these when they enter the school grounds and the same rules apply until they leave through the main gate at the end of the day. Your support in ensuring that your child and any younger siblings follow these rules is greatly appreciated.

Parent Club

Parent Club is a digital information resource, support hub and online community from the Scottish Government, offering practical advice and support for families across Scotland. The site includes tips and suggestions on a wide range of subjects, including helping parents/carers to keep calm, and coping with distressed behaviour.

To help families manage the challenges, especially during Covid, Parent Club have launched a Positive Parenting campaign. Please visit the following link to find out more:

www.parentclub.scot/topics/coronavirus/coping-with-parenting

Sanitary Products

The Scottish Government is keen to ensure that sanitary products are freely accessible to all who need them. Our older girls know where they can be accessed in the school without causing any unnecessary embarrassment.

Smart Watches

It has come to our attention that a number of children are wearing Smart watches to school. Please remember that these should be used solely for the purpose of telling the time when in school and should not be used to send messages to your child. If you wish to pass on information whilst your child is in school, this should be done via the school office. Thank you.

School Committees

This session, all of our children are part of a committee to promote increased pupil voice in our school. Committee meetings take place once a month. Our committees for this session are as follows:

- P1-7 Pupil Council (led by Mrs Callender)
- P1-7 Rights Ambassadors (led by Mrs McGeehan)
- P4-7 Cost of the School Day Committee (led by Miss Lattimer)
- P1-3 Eco/Sustainability Group (led by Mrs Herity)
- P1-3 Play Group (led by Miss Martin)
- P4-7 Charities Committee (led by Mrs Young)
- P1-3 Health Group (led by Mrs Erskine)
- P4-7 Health Group (led by Mrs Stevenson)
- P4-7 Eco/Sustainability Group (led by Miss Sharkey)
- P4-7 Junior Road Safety Committee (led by Miss Fleming)
- P4-7 Fairtrade Group (led by MacDonald)
- P1-7 Reading Champions (led by Mr Burns)
- P4-7 Equalities and Diversity Group (led by Mr McNally)

If any parent/carer would be interested in supporting the work of one of these committees, please contact the school office to let us know (gw14dlmpsoffice@glow.sch.uk).

Drumming Lessons

This session, all of our P6 and P7 children will have the opportunity to participate in a series of drumming lessons delivered by Mr Gilmour, a music instructor who is based at Calderside Academy. It is then hoped that some pupils might continue with drumming when they move on to high school. Each block of lessons will last for a period of 5 weeks. The children are so excited!

Attendance at School

The Scottish Government and Education Scotland are aiming for 95.0% attendance for all children at school. Last session, the average attendance for DLMPs was 94.4%. Our weekly attendance rates per stage have been as follows:

Please support us in trying to increase our attendance to within national expectations. Thank you.

Did you know.....?

- **96% attendance = 7-8 days lost learning**
- **95% attendance = 2 weeks lost learning**
- **93% attendance = 3 weeks lost learning**
- **90% attendance = 1 month lost learning**
- **80% attendance = 2 months lost learning**
- **Children who have an average of 90% attendance every year will have lost the equivalent of 1 year of schooling by the time they are in S3**

Timekeeping

Unfortunately, an increasing number of children are appearing late for school. This can then cause disruption in class as teachers may need to go back over something that a child has missed. It also causes a lot of embarrassment for your child. Please remember that our school starts at **8.55am** so we would be grateful if you could support your child to be on time every day. Thank you.

Did you know?

- **Children who are 15 minutes late every day will have lost 50 hours of schooling over a year**

Parent Council Meeting

Our next Parent Council meeting will take place via Zoom on **Thursday, 13th November** starting at 6.30pm and all parent/carers are welcome to attend. If you would like to participate in this meeting, please email the Parent Council (dlmpsparentcouncil@gmail.com) so that you can be sent the log-in details.

School Closures

Please remember that the school will be closed from **Monday, 13th October until Friday, 17th October** for the October Week holiday. School will re-start again on **Monday, 20th October at 8.55am**. We hope that you all have a relaxing break.
