Dear Parent/Carer

Continuing Contact with Class Teacher during Phased Return

As you know I have had to make some temporary changes to the staffing structure within the school whilst we manage a phased return to face-to-face learning for the nursery and P1-3 children, 2 hubs for emergency childcare provision, online remote learning for all of our P4-7 who continue to learn at home, as well as staff who are shielding and, therefore, cannot come into school.

I am, however, keen that the children affected by these changes still have contact with their own class teacher, albeit on a virtual basis. Miss Marshall will post up a video for her class every Monday morning. This will be available for the children to see when they are in class, but they can also watch it at home again, if they wish, on their Google Classroom. She will also have a special Google Meet with her class on a Friday in school so that the children still get the chance to communicate with her and share their special news.

Staffing within the school will remain under constant review in line with Scottish Government guidance of the return to school for all children and I will keep you notified about any changes. In the meantime, please do not hesitate to contact me should you have any questions or concerns.

Thanking you in advance for your co-operation.

Yours sincerely

Linda Callender
